
Highrise Consulting, Inc. (www.highriseconsulting.com) is seeking a full-time entry-level **Budget Data Analyst** to work onsite at a NIH (National Institutes of Health) facility in Bethesda, MD. To apply, send resume to **max@highriseconsulting.com** - please include "Budget Data Analyst" as a subject of your email.

MAJOR PURPOSE OF THIS JOB:

The candidate's prime responsibility is for the formulation of appropriated and non-appropriated NIH funds. The candidate, however, will also support execution and reporting activities, as necessary. The candidate will report directly to the Deputy Director of the NIH Office of Budget. Assignments include the common aspects of budget operations, e.g., review, formulations, presentation, execution, special investigative reports, and justification for area of assignment.

JOB DUTIES AND RESPONSIBILITIES:

- Coordinate with deputy director and other financial personnel to obtain sufficient information to provide sustainable justification for budget requests
- Assist in compiling and analyzing supplemental budget data from various sources
- Analyze and compare supplemental budgetary data with previous budget submissions and existing reports to ensure accuracy and resolve issues that may arise
- Prepare budgetary documents, including tables, reports, letters and memoranda
- Prepare and review outgoing correspondence and other documents prepared by Office of Budget leadership

EXPERIENCE, KNOWLEDGE, AND SKILL REQUIREMENTS:

- Bachelor's Degree, at a minimum, is required; Masters is preferred
- Extensive knowledge of Microsoft Excel, including macros
- Strong analytical skills necessary to compile data, analyze it, and develop financial reports
- Ability to apply analytic techniques to evaluate budgetary data and resolve inconsistencies
- Knowledge of federal government budgetary principles and procedures
- Strong ability to generate written narratives - budget justifications to the highest levels of Government
- Ability to create presentations in Microsoft PowerPoint
